ILO Report regarding construction workers

2237. MISS SAROJ KHAPARDE: Will the PRIME MINISTER be pleased to state:

(a) whether it s a fact that an estimated one million workers engaged in the construction industry in India could run the risk of injury this year, as per an ILO Report quoted in the 'Times of India' dated 18th October, 1991;

(b) if so, the details thereof; and

(c) the corrective steps Government propose to take in this regard?

THE DEPUTY MINISTER IN THE MINISTRY OF LABOUR (SHRI PABAN SING GHATOWAR): (a) and (b) The Director General, Internatiinal Labour Organisation, in his report to the Eleventh Asian Regional Conference, has stated that one million workers run the riks of injury in this industry in India in 1991. The basis of this estimate is not available with the Government of India.

(c) The Government is considering a central legislation on building and construction workers which would contain provisions for health and safety of workers engaged in this industry.
